Support

Australian Careers Education Pty Ltd ("ACE") is focused on providing its students with an environment in which they can feel comfortable and confident in the knowledge that support is available to deal with difficulties experienced by students in adjusting to the 'new life' in Australia. ACE offers Student Support Service Officers (SSSOs) who are available to assist students with their general enquiries or concerns regarding their studies or life in Australia.

Recognition of Prior Learning (RPL) and Credit Transfer (CT)

Students will be made aware of the RPL and CT options available prior to the commencement of their studies. If applications are valid, ACE will adhere to the RPL and CT procedures.

Training pathway

- There are no pre-requisites to gain entry into the AUR30405 Certificate III in Automotive Mechanical Technology (Light Vehicle) training program.
- On successful completion of this qualification students may enrol into the AUR40208 Certificate IV in Automotive Technology.

Employment Pathway

Successful completion of this qualification and with the relevant work experience will provide pathway to career as a light vehicle motor mechanic in the automotive service and repair industry.

Course Fees

Please contact our office for details of current tuition fees.
